

WHAT IS A LEGACY FILM?

A private film preserving someone's voice, stories and personality.

Eulogy Legacy creates calm, carefully guided films for families who want to keep more than photographs.

How does it work?

- A gentle discovery call explains the options.
- The filming is relaxed, guided and private.
- There is no script and no pressure to perform.
- Family photographs can be included where appropriate.
- The finished film is delivered privately to the family.
- Every film is private by default.
