

EULOGY LEGACY STORY DAY

A relaxed private filming session hosted at your community.

A Story Day is a pre-arranged filming day hosted at your care home or retirement community. Residents can book a private session to record a relaxed, guided life-story conversation.

What to expect

- Up to 45-minute private filming slot.
- A short Story Keepsake film for the family.
- Private delivery after editing.
- Participation is optional.
- No group recording and no script.
- A family member is welcome where appropriate.

Ask your organisation for details.

Every Story Day is shaped around residents, families and the setting.
